Hand Wash Station

Model 3448 comfort station was specifically developed for multistory construction projects that have size restrictions.

Model 3448 also eliminates the need to construct bathrooms for your employees and then dismantle them to build the bathrooms for your customers.

Model 3448 ships with or without a roof. Models with a roof require electricity and a safety light with a motion sensor. Total price of electricity, safety light, motion sensor, is \$480.00. Special attention will be paid to the height restrictions of the freight elevator on multiple story or underground projects.

Standard Features

Ceramic Toilet and Sink Combination – 9" Toilet Tissue Dispenser – Paper Towel Dispenser – Mirror – Waste Basket – Supply of Consumables – Heavy Duty Door With Indicator Usage Lock - Aluminum Corners – ½" Fluted FRP Sheet Pebbled on Both Sides and Graffiti Resistant – Treated Wood Runners – Treated Plywood Floor – Coin Vinyl Flooring – Mobility Via a Pallet Jack – Foaming Hand Soap Dispenser – Aluminum Door Jamb – Stainless Steel Door Hinges

The Model 3448 is manufactured to be used on multiple projects with minimal maintenance required.
